

17 MAY 1971

Honorable Edward I. Koch
House of Representatives
Washington, D. C. 20515

Dear Mr. Koch:

This is in response to your letter dated March 30, 1971.

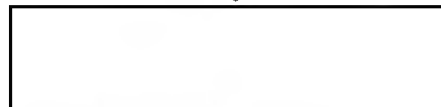

The Central Intelligence Agency maintains name files on foreign individuals containing information of intelligence interest which is necessarily classified and cannot be made available to the persons involved.

The Agency also maintains name files of employees and others who require access to its classified material. These files include investigative information. They are not made available to the individuals concerned, but information contained therein is discussed with them when appropriate. No such investigative files are kept on Members of Congress.

This office, which is responsible for congressional liaison, maintains files on legislative matters which contain copies of correspondence between the Central Intelligence Agency and the Congress. To assure prompt retrieval and continuity, the material is filed according to the names of the Members or committees of Congress concerned. We maintain such a record regarding your office and would be glad to make it available for your review should you so desire, although it consists primarily of material which undoubtedly is already in your possession.

I trust that the above serves the purposes of your inquiry.

Sincerely,

John M. Maury
Legislative Counsel
